IN ACCORDANCE WITH 37 CFR 1.8(b) AND MPEP 512(IV)**

Sir:

On April 11, 2007, a "Petition Under 37 CFR 1.181 for Withdrawal of Finality of the Office Action mailed March 21, 2008 and for other necessary action" for the above-identified application was filed with the PTO by facsimile using the procedures set forth in 37 CFR 1.6 and 1.8.

An "Auto-Reply Facsimile Transmission" was immediately returned on the same date from the PTO's Fax Server. A copy of this Auto-Reply Facsimile Transmission is attached hereto.

As of today, there is no indication of the above-noted Petition on the PTO's PAIR system.

Furthermore, telephone calls to the TC 3600, EBC and OIPE over the last 3 business days have confirmed that the PTO appears to have lost this facsimile transmission.
